ORDER

Centre for Development of Imaging Technology (C-DIT), is an institution established in 1988 by Government of Kerala under the Chairmanship of Hon'ble Chief Minister, for advancement of research, development and training in imaging technology with an implied role in socially relevant science & development communication. C-DIT aims and working towards convergence beyond various aspects of IT & Electronics, and has a talented pool of creative personnel co-existing with technological work force discharging the functions through 14 independent and functionally focused teams. C-DIT conducted IT courses through affiliated Centres. Technology Extension Team (TET) is one of the divisions set up with the aim of diffusing the latest trends in the Information and Communication Technologies (ICT) among the young populace of Kerala, through various courses. Govt. of Kerala have recognized C-DIT as the Total Solution Provider in IT Sector. . Technology Extension Team of C-DIT aims at extending the avenues for quality IT education to the people at affordable cost. Technology Extension Team conducts various IT courses across the State since 2003. The examination, valuation and the certification process are being done by C-DIT in accordance with an academic calendar.

As per the letter read as 1st paper above, the Director of C-DIT has requested for the approval of the computer courses conducted by C-DIT and to

accord parity for these courses with similar courses conducted by other institutions recognized by the Government.

Government have examined the matter in detail and are pleased to approve the following courses conducted by C-DIT and the certificate issued therein for the purpose of appointment to suitable posts in the public services
